

THE GRIFFON BRUXELLOIS BREEDERS ASSOCIATION

OPEN SHOW

14TH FEBRUARY 2010

I would like to take this opportunity to thank the Officers and Committee of the Griffon Bruxellois Breeders Association for inviting me to judge at there show, I would also like to thank all the exhibitors for such a super entry too. Also the kitchen team who as usual put on a feast with a wide range of choices of delicious hot meals and desserts.

I found the overall quality of the entry very good, heads have improved a lot being larger in size and having more of the essential features. I did however find that there where a lot of light eyes and pale noses lacking Pigmentation, it is a problem that needs attention.

VD/B (9,3a)

So nice to see so many of are more mature ladies and gentleman, who all seemed to be enjoying there day out.
